Important Tour Information:

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not a fit for travelers who require mobility assistance devices.

Travel with an average of 18 people (maximum of 24).

If you require a walker or wheelchair, or have difficulty walking, you may not be able to access some of the areas on this tour and may want to consider an alternate tour with us. From mid-June to mid-September, temperatures can easily reach 95 degrees.

Museum visits and shopping may be affected by observance of religious or local holidays such as Ramadan and Eid. If traveling during the month of Ramadan, please note that the order of some features will vary and that some meal experiences may be replaced with meals in the hotel instead of local restaurants/venues. Some shops on the street may also be closed. Traveling during Ramadan also offers a unique chance to immerse yourself in local culture, witness spiritual traditions, bond with communities during iftars, explore diverse cuisine, enjoy quiet serenity, and experience hospitality and generosity from locals. Ramadan observances are from February 7-March 8, 2027. Eid al-Fitr will take place March 9-11, 2027.

****Some local restaurants in Morocco typically don't serve alcohol due to cultural practices.**

***The Rabat city tour can change due to royal or government official business.**

Days of features are interchangeable.

The fully equipped Berber-style tents offer beds, linens, pillows, a flush toilet, running water, shower, and solar lighting to make for an authentic yet enjoyable stay in the desert.
